**SEABROOK COMMUNITY FOUNDATION 2019 REVIEW**

The Seabrook Community Foundation awarded over \$42,000 in scholarships and \$192,000 in grants for the full year of 2018. These grants went to organizations that provide needed social services for the community as well as arts, education and sports. The board of directors is grateful for all of these organizations and the work they do.

Scholarships were awarded to graduating high school students in Grays Harbor County as well as individuals who want to go back to school to enhance their education or technical training. As the scholarship program provides assistance for up to 4 years, the Foundation was able to continue scholarships for many existing students. Congratulations and best of luck to all these deserving individuals!

Helen Gilbert, board president stated: *"2018 was very exciting for the Seabrook Community Foundation! Grants and scholarships totaling over \$236,000 were awarded to outstanding organizations and individuals in Grays Harbor County. The Foundation is pleased to continue its mission of providing funds for food programs, shelter, mental health, safety, emergency preparedness, education, scholarships, youth programs, animal welfare, and the arts."*

The individuals involved in these organizations consider the health and well being of the community to be of utmost importance. The individuals working to develop their education and skills show an ongoing effort to better themselves and their community.

The Foundation looks forward to continued work with the community, organizations and individuals within the Grays Harbor community in 2019. The directors thank all of those who are involved in these efforts!

The Seabrook Community Foundation accepts grant applications from charitable organizations throughout the year and processes applications at quarterly meetings. Scholarships are reviewed at the May 2019 meeting. Download a grant or scholarship application at:
