

Cedarbrook Cottage

 2 Bedrooms |  2 Full |  Sleeps 4 |  Greenway

Step back into hearth-is-home comfort of America's most iconic national park lodges outfitted with today's most modern of conveniences. Meticulously designed by acclaimed architect Lew Oliver and Seabrook's own garden designer Stephen Poulakos, this cottage boasts a large wrap-around porch, gas fire-bowl on flagstone terrace, cedar hot tub, a calming "Ruby Beach" haystack rock inspired fountain, wood burning stove and lush herb cutting gardens. A true couples' retreat located in Seabrook's Greenway District, Cedarbrook Cottage overlooks Crescent Park's shuffleboard courts, horseshoe pits and is only steps away from South Crescent indoor pool. Less than a five minute walk from Seabrook's Market Street shops and restaurants, it is also close to convenient beach accesses that lead you to some of the region's most stunning beach vistas and breathtaking sunsets.
