Seabrook Real Estate is pleased to offer a cooperative selling office commission as outlined with the NWMLS, as we appreciate the efforts of all Brokers representing clients in Seabrook.

A commission of 1% of the purchase price is offered to any broker writing a contract for a Seabrook new construction property. Furthermore, to receive a commission, you must hold a valid Washington State real estate license as of the date of registration and buyer's close of escrow.

We look forward to helping you successfully represent your buyer at Seabrook and we thank you in advance for your observance of this buyer registration policy.
